And God said, Let us make man in our image, after our likeness: and let them have dominion over the fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth, and over every creeping thing that creepeth upon the earth. So God created man in his own image, in the image of God

How your God-created self was stolen

AI Research

- 1. Negative beliefs transferred to us by our parents, guardians, teachers, and peers**
- 2. Limiting beliefs, passed down from generation to generation**
- 3. Negative vibrations or emotions given to us through transgenerational epigenetic inheritance**

- 4. Holding onto negative memories**
- 5. Unresolved childhood trauma that shows up in adulthood**
- 6. The failure of parents to teach their children that they are the righteousness of God**

7. The church's overemphasis on going to heaven, instead of teaching that the Earth is the Lord's and the fullness thereof; however, we are already in heavenly places in Christ Jesus

- 8. Parents, guardians, trustees, and churches failing to teach children about their God-created self, which involves the following:**
- We are created after the image of God and we look like God and not Adam (we came out of God, not Adam.**
 - We are kings and priests**

- **We are gods**
- **We are the righteousness of God**
- **Greater is He that is in us than He that is in the world; we are sons of God**
- **God is in us. “We are the expression of God in me.”**

9. So-called Christian parents and Christian churches have helped to add to the trauma of both adults and children over the centuries by overemphasizing teaching negative Church doctrine in the following areas:

- **Teaching a sin-consciousness instead of a God-consciousness.**
- **Teaching a hell-consciousness doctrine by scaring the hell out of people; however, instead of teaching that God is a God of love.**

- **Teaching a punishment-consciousness that says you're going to hell when Jesus Christ has already nailed hell to the cross. Scaring people that they are going to die before their time if they don't repent of their sins. This is an over-emphasis on a sin conscious that the church has perpetuated on everyone which helps to further people's trauma.**

- **Teaching children how to be religious instead of being spiritual and/or being a spirit being. Our children are talked to be spirited, but not spiritual (jumping and shouting is being spirited, but not being spiritual).**

- **Overemphasis on the church being the most important entity in the universe, instead of teaching that the kingdom of God is the most important. That's because Jesus is king over His domain, even the universe. We are not to preach the gospel of the church; we are to preach the gospel of the kingdom. That's biblical.**
